Local news from Basildon Council

SMALL CHANGES
BIG IMPACT

Aged 11-19? Complete our youth consultation

Calling Basildon's young people!

We've launched a consultation to be answered by 11-19 year olds only, covering a number of areas regarding youth services and activities in the borough.

The results from the consultation will help inform the council's approach to future investment in youth provision in the borough.

We want as many young people to complete the consultation as possible - please share our survey link if you can.

#BasildonAtChristmas fun tomorrow

Don't

It's

- Santa's Grotto 🧑🎅
- Children's rides 🎠
- Festive mini-golf 🏌️
- Fireworks display 🎆
- Food stalls 🍔
- Live music and comedy 🎤

forget that #BasildonAtChristmas takes place tomorrow from 10am, until after the fireworks at 6pm.

really not one to miss out on. See you there!

Wickford at Christmas event next Saturday

On Saturday 27 November, the popular Wickford at Christmas event will return having not been able to go ahead last year.

A full day of fun is planned, with the main stage being in the middle of the high street, and the two other entertainment locations being at The Ladygate Centre and The Willows.

There'll be singing performances, magicians, choirs, dancers, and even some scottish pipers! Concluding with a light switch on from former X-Factor finalist Che Chesterman. Come along!

Basildon Activity Awards took place this week

The Basildon Activity Awards took place on Wednesday evening to celebrate the many success stories within our borough.

Over the next few weeks we'll be sharing interviews with the nominees across our social media accounts, to shine a light on all the great things happening in Basildon.

Congratulations to all the nominees and winners on the evening!

Free cycling training for cyclists of all abilities

Essex County Council is offering free adult cycling training session this winter.

The sessions cater for all levels, with three sessions which are: Adult Confidence, Adult Learn to Ride, and Adult Advance Cycling 1-2-1.

For more information, contact SaferEssexRoads@essexhighways.org
